**A Classic Western Now**

Saddle up your Sega® Genesis™ and fill your TV screen with

the guns blazing action of Sunset Riders, the wild western arcade hit of the year.

Bounty hunt the frontier's fiercest fiends through treacherous territory including lawless outposts like Reechforem Gulch. The stampede of bad guys will keep one or two tough hombres busy firing fast and furious at cattle thieves, gunslingers, and Indians who have no reservations about attacking.

The trail is littered with extra bounty loot, six-shooter power-ups and decidedly destructive dynamite. Ride your trusty steed through bonus stages that hold survival items more precious than a sack of gold dust. And get a feel for the trigger in the Versus mode where you and your compadre can shower each other with lead. Hot dang, be sure to hitch up with the most rip snortin', knee slappin' blast from the past that ever rode into town!
